Fool me once, shame on you. Fool me twice, shame on me. Sarah Spicer took this saying to heart, at least where love was concerned. She had given up any hope in ever finding a decent man. She was convinced they had only one thing on their minds and were untrustworthy and unfit for relationships. This was exactly why she had a strict no-dating policy. That was before she met Collin Ross. He was handsome, successful, and possessed a refined confidence that any woman would have adored. Well, any woman except for Sarah. Her indifference toward his charms made gaining her affection difficult. But patience is a virtue, and Collin was determined to prove that if there was a man worthy of winning her heart, he was the one.

“ [An] irresistible invitation to share the lives of people who believe in enduring values. ” —Detroit Free Press It began with Benny Hogan and Eve Malone, growing up, inseparable, in the village of Knockglen. Benny—the only child, yearning to break free from her adoring parents. . . . Eve—the orphaned offspring of a convent handyman and a rebellious blueblood, abandoned by her mother's wealthy family to be raised by nuns. Eve and Benny—they knew the sins and secrets behind every villager's lace curtains . . . except their own. It widened at Dublin, at the university where Benny and Eve met beautiful Nan Mahlon and Jack Foley, a doctor's handsome son. But heartbreak and betrayal would bring the worlds of Knockglen and Dublin into explosive collision. Long-hidden lies would emerge to test the meaning of love and the strength of ties held within the fragile gold bands of a . . . Circle Of Friends. Praise for Circle of Friends “ A rare pleasure . . . at terrific tale, told by a master storyteller. ” —Susan Isaacs, The New York Times Book Review “ Circle of Friends welcomes you in. ” —The Washington Post

Twenty years after a deadly pandemic ravaged the world, Darragh Fearghal Anluan and the people of his village have carved out a hard but simple life in the Irish countryside. But with winter comes sickness, and Darragh must travel to Dublin in search of medicine. What he finds

there is a ruined city ruled by a madman, where scavenging is punishable by death . . . or conscription. Ciaran Daly came to Ireland with aid and optimism, but instead was enslaved by the so-called King of Dublin. After months of abuse from the king and his men, he has no reason to believe this newcomer will be any different. Except Ciaran finds himself increasingly drawn to Darragh, whose brutish looks mask how sweet and gentle he really is. The tenderness Darragh feels for the king's treasured pet is treason, but it's hardly the only betrayal brewing in this rotten kingdom. Rebellions and rival gangs threaten the king's power, but not nearly as much as Darragh and Ciaran-whose only hope for freedom is the fall of the king.
