Basque Mythology and Legends

The mythology of the ancient Basques largely did not survive the arrival of Christianity in the Basque Country between the 4th and 12th century AD. Most of what is known about elements of this original belief system is based on the analysis of legends, the study of place names and scant historical references to pagan rituals practised by the Basques. One main figure of this belief system was the female goddess Mari. According to legends collected in the area of Ataun, the other main figure was h

Akerbeltz o Aker. He adopts the shape of a goat, as his Basque name reveals. Legend has it that Akerbeltz is a two-face genie. His nice half protects animals, whereas his evil half chairs witch and sorcerer covens, known as akelarres.

Basque Country, a land of myths and legends | Bizkaia Talent

Basajaun, which literally means 'Lord of the Forest', is one of the main characters in Basque Mythology and just one of several characters we introduce on our Total Basque Mountain Culture Walking Holidays.

Basajaun - Basque Mythology or Basque History

Legend has it that the so called Lamiak (Basque mythological characters) used to go out at night in order to take away the children from their homes. However, if they wanted to enter, they had to count the number of petals of the flower and say it loudly. Since they didn't know how to count, they could not get into the houses through the night.

Basque folklore and mythology - Basque Country Spirit

The Ancient Basque Gods/Goddess Lurra (the Earth) or Ama lurra (the Mother earth) is main goddess in the legends of the Basque Country. She is the shelter and dwelling for all creatures; the Creator of the whole Nature. She guarantees life to the plants and animals and she gives humans the necessary food and dwelling.

The Ancient Basque Gods/Goddess - Basque Mythology

In Basque mythology there exists a creature known as the Basajaun. Translated, it means "Lord of the Woods". Basajaun is described as a robust, large, and hairy hominid who lives in the forests. He also has a female counterpart and companion known as a Basandere. Now, here is where the Basque myth becomes very interesting.

The Basques (Basque: Euskaldunak) are a those who inhabit a region spanning over parts of north-central Spain and southwestern France. The name Basque derives from Medieval French and from the ancient tribe of the Vascones, described by Ancient Greek historian Strabo as living south of the western Pyrenees and north of the Ebro River, in modern day Navarre and northern Aragon.

New York Basque Club - Basque Facts

Basque, Spanish Vasco, or Vascongado, Basque Euskaldunak, or Euskotarak, member of a people who live in both Spain and France in areas bordering the Bay of Biscay and encompassing the western foothills of the Pyrenees Mountains. In the late 20th century probably about 850,000 true Basques lived in Spain and 130,000 in France; as many as 170,000 Basques may live in emigrant communities outside ...

In this volume you will find 13 illustrated Popular Tales from the Basque region of Spain. Here you will find tales like AqueIarre, Arguiduna, The Song of Lamia, the Prophecy of Lara, the Virgin of the Five Towns in which mermaids, heroes, magical horns and ghosts abound. If you have ever travelled through the province of Galicia in North Western Spain, you can't fail to notice the Celtic influences in the region's art and culture. So it is therefore not surprising to also find the story of Jaun-Zuria - A Prince Of Erin included in this volume. So take some time out and travel back to a period before television, or even radio for that matter, to a time when families would gather around a crackling and spitting hearth and granddad or grandma, or an uncle or aunt, would delight and captivate their audience with stories passed on to them from their parents and grandparents. This collection of Basque legends, fairy tales, ballads, and popular stories having their origin in the ancient traditions which formed a portion of the sacred inheritance bequeathed to the Basque people by their forefathers, and handed down by word of mouth from generation to generation. These tales constitute the archives of the Basque people, the treasures of their science and of their beliefs: they are the records of the lives of their forefathers, the landmarks of the grandeur of their past history. In the midst of the great revolutions which have agitated the whole of Europe, causing radical changes, levelling to the ground or converting into ruins great empires, powerful nationalities, monuments; sweeping away languages, and even the very races themselves--the Basques have somehow passed unscathed through the many storms of devastation, preserving intact their nationality, institutions, laws, language, and customs.
