This volume constitutes the proceedings of the
Fifth International Conference on Flexible

Download Ebook Database Processing Kroenke

Project Answering Systems, FQAS 2002, held in Copenhagen, Denmark on October 27–29, 2002. FQAS is the premier conference for researchers and practitioners concerned with the vital task of providing easy, flexible, and intuitive access to information for every type of need. This multidisciplinary conference

Download Ebook Database Processing Kroenke

Project Answers
draws on several research areas, including databases, information retrieval, knowledge representation, soft computing, multimedia, and human-computer interaction. Previous FQAS events were held in 1994, 1996, 1998, and 2000. The overall theme of the FQAS conferences is innovative query systems - medatprovidin

Download Ebook Database Processing Kroenke

easy, flexible, and intuitive access to information. Such systems are intended to facilitate retrieval from information repositories such as databases, libraries, and the World-Wide Web. These repositories are typically equipped with standard query systems which are often inadequate, and the focus of FQAS is the development of query systems that

Download Ebook Database Processing Kroenke

are more expressive, informative, cooperative, and productive. These proceedings contain 29 original papers that relate to the topic of users posing queries and systems producing answers. The papers cover the fields: - Database Management, Information Retrieval, Domain Modeling, Knowledge -
