Discover the managerial accounting text written to complement the way you study and learn! CORNERSTONES OF MANAGERIAL ACCOUNTING, 3E, INTERNATIONAL EDITION uses a unique framework to show you the key concepts, or Cornerstones, of accounting. As you come to understand these fundamental calculations, you will develop critical problem-solving skills to make real business decisions.

Gain an understanding of the principles behind cost accounting and its importance in organizational decision making and business today with the unique, reader-friendly approach in Hansen/Mowen/Heitger's COST MANAGEMENT, 5E. This edition addresses functional-based cost and control and, then, activity-based cost systems - giving you the skills to navigate any cost management system. Updates address emerging developments, including the role of data analytics in cost management today. An entire new chapter also examines global issues, such as virtual currency and blockchain. This edition's approach is tailored to the way you learn. Structured examples from familiar companies emphasize the real-world applications and relevance of what you are learning. Clear explanations review the concepts behind each equation or topic, detailing the hows, whys and what-ifs. Integrated CNOWv2 resources provide additional computerized exercises and problems for practice and review. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

MANAGERIAL ACCOUNTING, 7E shows readers how managerial accounting plays an essential role in helping today's managers make effective business decisions for their companies. This edition has been revised with an emphasis on showing students "Here's How It's Used." This unique learning approach along with relevant examples encourages and enables students to develop a deeper understanding of managerial accounting and its implications for business. Readers learn why managerial accounting is important, what it is, where managerial information comes from and how it is best used to make strong business decisions. This edition even explores emerging topics of interest to today's readers, such as sustainability, quality cost, lean accounting, international accounting, enterprise risk management, and forensic and fraud accounting. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
