Bookmark File PDF Moral Essays De Providentia De

Of the essays included in this volume, the De Providentia and the De Constantia are associated by Waltz b with the early years of the exile (a.d. 41-42), but equally wise conjecture will place them later. When Seneca wrote the De Ira, Caligula was undoubtedly dead, and Novatus, to whom it was dedicated, had not yet been adopted by Junius Gallio. It shows bitter hostility to Caligula, and may well have been written when the memory of his excesses was fresh.

philosophy on providence, steadfastness, anger, forgiveness, consolation, the happy life, leisure, tranquility, the brevity of life, and gift-giving.

Moral essays (Book, 1963)
[WorldCat.org]

The surviving corpus of Seneca's Moral Essays are his earliest works, yet they contain many of his fully developed Stoic ideals. All the essays are generally short, with the exception of Seneca's treatise On Anger; and they are all moral exhortations written in a direct manner and in a style both convincing and charming.
