Designed for an introductory course at the undergraduate or graduate level, this dynamic text presents an updated, real-world approach to cost accounting. Cost Accounting, 14e demonstrates the fundamentals and logic of alternative accounting systems and methods. The text emphasizes the use of accounting information in planning and controlling business systems, and in supporting a variety of management decisions. Distinguished authors Carter and Usry proffer specific consideration to decision-making and human behavioral matters.

Horngren's "Cost Accounting" defined the cost accounting market and continues to innovate today by consistently integrating the most current practice and theory. This acclaimed, number one market-leading book embraces the basic theme of " different costs for different purposes." It reaches beyond cost accounting procedures to consider concepts, analyses, and management. This latest edition of "Cost Accounting "incorporates the latest research and most up-to-date thinking into all relevant chapters. Professional issues related to Management Accounting and Management Accountants are emphasized. Chapter topics cover the accountant' s role in the organization to performance measurement, compensation, and multinational considerations. For future accountants who want to enhance their understanding of-and ability to-solve cost accounting problems.

Includes Part 1, Number 2: Books and Pamphlets, Including Serials and Contributions to Periodicals July - December)

The authors have kept the text concise by focusing on the key concepts students need to master. Opening vignettes & 'in action' boxes show realistic applications of these concepts throughout. Comprehensive end-of-chapter problems provide students with all the practice they need to fully learn each concept.

Cost Accounting is designed to provide essential skill sets to managers for planning and controlling their business financials. Covering a wide range of topics, this book is suitable for both undergraduate and postgraduate students of business study courses offered by universities across India. It also meets the requirement of the students of CA, ICWA and CS.
