The Chosen One (TV series) - Wikipedia
The Chosen One was the central figure in the Jedi prophecy that foretold the coming of the one destined to bring balance to the Force by destroying the Sith.

Chosen One | Wookieepedia | Fandom
The Chosen Ones is Veronica Roth's first novel that targets an adult audience, as it digs deep into themes that her Divergent series of novels casually explored. It is a Chicago-based urban portal fantasy novel, with a neat twist on the 'chosen ones versus the Dark One' trope.

Maher Zain - The Chosen One Lyrics | AZLyrics.com
The Literally Chosen One, like Po, who is actively chosen by another person to fulfill a specific role. This case may come with issues stemming from The Chooser of The One being, as a person, potentially fallible – so what if they chose wrong? This may be exacerbated if previously chosen Ones ended up as washouts, failures or outright villains.

★ "Powerful and vulnerable"—Booklist, starred review Echo Brown testifies to the disappointments and triumphs of a Black first-generation college student in this exploration of the first year experience. There are many watchers and they are always white. That's the first thing Echo notices as she settles into Dartmouth College. Despite graduating high school in Cleveland as valedictorian, Echo immediately struggles to keep up in demanding classes. Dartmouth made many promises it couldn't keep. The campus is not a rainbow-colored utopia where education lifts every voice. Nor is it a paradise of ideas, an incubator of inclusivity, or even an exciting dating scene. But it might be a portal to different dimensions of time and space—only accessible if Echo accepts her calling as a Chosen One and takes charge of her future by healing her past. This remarkable challenge demands vulnerability, humility, and the conviction to ask for help without sacrificing self-worth. In mesmerizing personal narrative and magical realism, Echo Brown confronts mental illness, grief, racism, love, friendship, ambition, self-worth, and belonging as they steer the fates of first-generation college students on Dartmouth's campus. The Chosen One is an unforgettable coming-of-age story that bravely unpacks the double-edged college transition—as both catalyst for old wounds and a fresh start.

A book for children of all ages. This is the story of the birth of Jesus retold for Native Americans and other English speaking First Nations peoples. The text is from the First Nations Version Project by Terry M. Wildman.

Two months ago, a new leader arose in the Islamic world, the Mahdi - or the Chosen One. He has rallied fundamentalist Muslim forces across the Middle East who have driven deep into Saudi Arabia and Egypt. Standing against them is an allied force made up primarily of the American military. Marine Lieutenant Sam Erickson is in the thick of the fighting. He and his company have fought their way from a landing on the Mediterranean shore to the outskirts of Cairo. Now he finds himself at a critical juncture, but can he make the sacrifices necessary for the greater good?

'The battlefield-sized room suddenly became a real battlefield. "DIE!" Nacuzen boomed as he disappeared. Cold laughter echoed within the walls of the room.' Edmond and Buzz were carried off by an alien named Naeron from their school picnic site. Naeron told them that Edmond was the Chosen One, and he had to save the Xurius Ruby from the Nacruzian aliens and their ruthless chief, Nacuzen. He took them to his planet Xurius. What will Edmond and Buzz do? Will they be able to save the ruby and defeat Nacuzen?

The Chosen One is a heart-warming account of one woman's determined search for her ethnic identity and her subsequent struggle to unite that distant world with the world she has always lived in. Strengthened by her faith in God and driven by a soulful desire to finally know the truth of her adoptive childhood, Maria Brodeur embarks upon a quest that will take her, physically and spiritually, deep into her past to uncover the secrets that have been buried there. Through the labyrinth of social agencies and the monoliths of military protocol, Maria hunts for the clues that will lead her to the man and woman responsible for giving her life. During her journey she discovers a family that she never knew existed, abundant love, and soul-name that had been chanting deep within her heart for years.

Thirteen-year-old Kyra has grown up in an isolated community without questioning the fact that her father has three wives and she has twenty brothers and sisters. That is, without questioning them much - if you don't count her secret visits to the Mobile Library on Wheels to read forbidden books, or her meetings with Joshua, the boy she hopes to choose for herself instead of having a man chosen for her. But when the Prophet decrees that she must marry her sixty-year-old uncle - who already has six wives - Kyra must make a desperate choice in the face of violence and her own fears of losing her family forever.

Fort and his friends face more perilous ancient magic as they race towards the final battle to save humanity in this fifth and final installment in the fantastical series from the author of the New York Times bestselling Story Thieves! Fort Fitzgerald is finally reunited with his father and wants nothing more than for life to return to normal, the way things were before magic burst back into the world. But normal isn't an option anymore. Not when the Old Ones could still return to enslave humanity and Damian is dead set on making that happen. Convinced he's the Chosen One the prophecy says will save the world, Damian has mastered all six books of magic and plans to summon the Old Ones to destroy them. Fort knows better though—Damian has no chance of defeating the Old Ones once they arrive. Maybe Fort could stop Damian if he could use the magic from the dragon dictionary, but he's consumed with strange visions each time he tries. The only hope left is for Fort, Jia, and Rachel to recruit the help of old friends—and enemies. But how can they know who to trust? Because unless they can find the truth behind the web of secrets and lies surrounding the prophecy of the Chosen One, Fort's visions, Arthurian legends, and even magic itself, they've already lost.

"Five twenty-something heroes famous for saving the world when they were teenagers must face even greater demons--and reconsider what it means to be a hero ... by destiny or by choice"--

Valora Rigmore understands pressure. As the Chosen One (resident telekinetic, superstar and model girlfriend) her life revolves around it. According to an ancient prophesy, Valora is destined to fight Erys, a terrifying individual with the power to control monsters. Valora is worshipped at school, in the press and by her parents, but as the battle with Erys looms near, the cracks in her perfect façade are beginning to show. Her twin, Grier Rigmore understands disappointment. A curvy bookworm perpetually in the shadow of her sister's legacy, Grier's life is one long humiliation after another. However, as Valora's fandom reaches an unbearable fever pitch, an interesting new boy and a clever teacher spark Grier's curiosity about her own powerful gifts. When Grier's star begins to rise, so do more questions: like who is truly the Chosen One, and will two sisters at odds survive long enough to understand the answer? Best described as Harry Potter meets Mindy Kaling, Sister of the Chosen One is a darkly funny, female empowered YA epic about siblings struggling to connect with each other, free themselves of labels and save the world in the process.

With the threat of calling out the United States military to "dominate" US citizens in peaceful protest, Donald Trump has shown America his true autocratic tendencies and desire to rule this nation with an iron fist. For all those concerned with the safeguarding of our democracy you should read this book. "Trump: The Chosen One" explores the seduction of the Christian Right by Donald Trump preying on fears and prejudices to create false narratives and controversies, promoting an agenda of division, obfuscation and misdirection within our nation. This book shreds the moral and ethical reasoning of that large part of the Christian Right's unwavering support for a president whose actions show disdain for moral standards. We explore the danger of allowing a fanatical religious ideology to weave its way into the fabric of our political system, threatening out democracy. We draw a connection through: the hypocrisy of the religious right. Income and wealth inequality, foreign policy, climate change and the systematic dismantling of political, judicial and governmental institutions. We rely on a foundational American principle to frame the first three years of the Trump administration to reveal how this president's stance on global warming and steadfast support for fossil fuels places him in lockstep with Vladimir Putin and other tyrannical leaders. This book questions Trump's appeal to people of faith who should be alarmed at the president' lack of a moral compass; as well as civic-minded republicans who no longer recognize today's GOP; It is an alarm to all those who are concerned with the preservation of our democracy who are concerned with: our environment, the relationship between faith and politics, Constitutional history, economic and tax policy.
