Yet The Stone Sky is tremendous both in its own right, as a separate book, and as a way to cap the series. Extraordinarily ambitious writing, unrivalled structural originality, breathtaking world-building and unbelievably enticing plot, this is all The Broken Earth has to offer—and then some.

Humanity will finally be saved or destroyed in the shattering conclusion to the post-apocalyptic and highly acclaimed NYT bestselling trilogy that won the Hugo Award three years in a row. The Moon will soon return. Whether this heralds the destruction of humankind or something worse will depend on two women. Essun has inherited the power of Alabaster Tenring. With it, she hopes to find her daughter Nassun and forge a world in which every orogene child can grow up safe. For Nassun, her mother's mastery of the Obelisk Gate comes too late. She has seen the evil of the world, and accepted what her mother will not admit: that sometimes what is corrupt cannot be cleansed, only destroyed.

This special boxed set includes the New York Times bestselling author N. K. Jemisin's complete, two-time Hugo award-winning Broken Earth Trilogy. This is the way the world ends. For the last time. A season of endings has begun. It starts with the great red rift across the heart of the world's sole continent, spewing ash that blots out the sun. It starts with death, with a murdered son and a missing daughter. It starts with betrayal, and long dormant wounds rising up to fester. This is the Stillness, a land long familiar with catastrophe, where the power of the earth is wielded as a weapon. And where there is no mercy. The Broken Earth trilogy
